

# Base Camp

- **Adults \$109**
- **Seniors (60+) \$104**
- **Children (12 & under) \$104**

Start off with a memorable one-hour ride down one of the nation's most scenic and beautiful highways, where you will experience breathtaking views of mountain ranges, hanging glaciers, ocean coastline and wildlife. Your guide will narrate highlights of the area, Alaska's history and other interesting facts on your way to Girdwood.

Once in Girdwood, you will enjoy a spectacular, self-guided, roundtrip hike (5 mi.) down an easy dirt and plank trail under the lush canopy of the Chugach National Forest – America's northernmost rainforest! You will experience breath-taking views at Winner Creek Gorge, and a thrilling hand-tram ride (Girdwood's #1 attraction) that takes you 100 feet above the rushing Glacier Creek.

When you're finished exploring, you can use your \$15 food voucher at the Tramway Café inside the Alyeska Resort. They offer indoor seating, or you can choose to picnic outside on the terrace which overlooks the beautiful flower gardens and pond.

If you have time to spare, consider taking a stroll around the well-manicured grounds, or pop into one of their gift shops for a last minute souvenir, before boarding our shuttle for your return trip to Anchorage.
